Taha Sardar Saleem

Full-stack developer

Apprenticeship as an IT Specialist · Specialization: Application Development

taha@tahasardar.com | +964 751 737 5605 | Duhok, Kurdistan Region, Iraq | Born 22.01.2003

tahasardar.com | github.com/tahasardar | linkedin.com/in/taha-sardar-367a6b379

Key Areas of Focus

Mobile Apps & Web

Development of apps for iOS and Android, as well as websites.

AI Applications

Integration of AI features and AI-powered development.

IT & Networks

IT infrastructure, maintenance, and technical fault analysis.

Profile

IT developer holding a technical diploma in Information Technology, with practical experience in mobile apps, websites, and enterprise software. My projects, used by more than 40 businesses, range from AI-powered speech and translation applications to a point-of-sale system supporting both online and offline operations. Through an apprenticeship in Germany, I aim to deepen my expertise and contribute my experience to a development team.
